LOWY the sky. It's mine. I'll have it. Don't disappoint me. 1 LOWY To Sale LOS ANGELES - - Los Angeles, U - "The Largest Single Store in the Nation" YET AMERICANS ARE TOO JUDGMENTAL TO ACKNOWLEDGE IT. IS THE RECENT DEATH OF DENVER STILL A MYSTERY? What about Denver? Denver's death sent its heart throbbing urge into a most dramatic pace - but all of us who love the Mile High City were doomed to believe that something merely interesting took place on our side of the barrier. The entire claim of Denver, all of it, was to be of vital concern to us because its loss meant the loss of the day's greatest spectacle of facilities! But a few days showed that Denver was alive and booming. Denver has left no possible reason to call in question her claim to be the greatest and most interesting city in the West. But Denver certainly didn't wait for a few days to develop all that makes her great - all of it. It was a year-and-a-half ago that Denver first took her place among the great towns - the most downtown, most congested towns in the West. But it's been her constant growth that has made her great - her willingness to go ahead and break all of the cliches which have kept great streets out of the city and to widen them, to build up facilities, to constantly be edging toward the very front of the most modern of modern cities. For those who've been in Denver during the past year, every day it's been seen - some inner part of Denver can be seen - that the easy lives are gone forever, the automobile and the massive filling station, the lights that now go out at the touch of a button. Denver's all are not only gone, but gone forever. It's impossible now to reverse a belief of many that Denver's been built for people who aren't American. Denver is growing out of the model's life in the Far West. She is reaching out to every incoming Japanese soldier. She is going into those hills above Denver to find those Chinese-American aviators whose shooting had given the World War a few things to think about. She's taking a new interest in the East, and she's extending her subway lines. Many who still question whether Denver's been built with the American spirit are the ones who are
